WEATHER PROBABILITIES.—For this section fair tonight; Wednesday partly cloudy with showers and probably thunder storms in the afternoon; light to fresh east to south winds.

DR. PACKARD'S FUNERAL.—The funeral of Rev. Dr. Joseph Packard, professor emeritus of the Episcopal Theological Seminary, who died Saturday morning last, at his home on Seminary Hill, took place at 2 o'clock this evening from the chapel at the seminary. The interment was made in the cemetery at that place. The body lay in the chapel at the seminary from noon until the hour of the funeral. Twelve students from the theological seminary were the pallbearers. They were Messrs. Thomas Darp, E. H. Green, Daniel Silgurney, J. N. Hamilton, Roger Walke, H. D. Lee, Jr., H. N. Palmer, Thomas Faulkner, R. N. Meade, Hunter Lewis, S. Van R. Moore, and John Chapman. They acted in relays, six bore the body from Prof. Packard's late residence to the chapel, and six from the chapel to the cemetery. A large number of prominent Episcopal clergymen attended the funeral. The students from the seminary and Episcopal High School attended in a body.

Rev. Dr. Crawford, dean of the Seminary, and Rev. Dr. Grammer, director of Christ Church, Norfolk, conducted the services. In the chapel were Bishop Gibson and all the professors of the Seminary. Mrs. Maule presided at the organ, and Mrs. F. Goodson, Mrs. John H. Chapman and Mr. Roger Walke composed the choir. The services at the grave were conducted by Bishop Gibson and Dr. Crawford. The hymns rendered were favorites of the deceased. Among those present at the funeral were Bishop Saterlee, of Washington; Rev. Dr. Clarke, of Richmond, and Rev. Dr. Eggleston and Wroth, of Baltimore. The trustees of the Seminary were represented by Rev. Dr. Tucker, of Norfolk, and Rev. P. P. Phillips and Mr. Julius T. Burke, of Alexandria. The standing committee was represented by Mr. L. M. Blackford and Mr. J. R. Zimmerman of Alexandria. The services throughout were very impressive. A large number of Alexandrians were present.

PERSONAL.—A circular has been issued announcing the resignation of Mr. R. E. L. Bunch as general passenger agent in Washington of the Board of Air Line Railway. Mr. W. H. Pleas, in temporary duties of that office. Mr. Bunch, before going to the Seaboard, was successively chief clerk to Mr. W. P. Turk when the latter was general passenger agent of the Southern Railway and then became assistant general passenger agent of the Southern Railway, with headquarters at St. Louis.

Dr. Fairfax Irwin, formerly of Alexandria, has sent out announcements of the marriage of his daughter, Ethel, to Dr. Janus Claiborne Gregory, U. S. N., on Tuesday, April 22, at Boston, where Dr. Irwin is now on service at the Marine Hospital.

Mrs. Charles F. Nash and her son, Mr. Monroe Nash, arrived in this city today from Southampton, N. C., on a visit to Mrs. Nash's sister, Miss Julia A. Monroe. Mrs. Nash was also accompanied by her sister, Miss Kate E. Monroe, who has been spending the winter with her at Southampton.

Among the exhibitors at the Baltimore Horse Show to be held May 15, 16, and 17, will be Mr. O. H. Smith, of Hampton Stock Farm, near this city. Mr. Virginia Goss, Mrs. G. E. Goss and Master Leo Goss, all of Woodstock, Va., are visiting relatives in this city.

RECOVERED HIS WATCH.—In October, 1900, Mr. J. W. Roberts lost his valuable gold watch stolen from his residence, near Cameron run. Hearing of no traces of the timepiece, he had about lost hope of recovering it until a morning or two ago when he found a letter had been slipped under his front door during the night which inclosed a pawn ticket issued by a Richmond broker April 24, 1902, stating that \$5 had been loaned on the watch. A note was also in the envelope telling Mr. Roberts that the timepiece could be recovered in Richmond upon the payment of the amount which had been advanced upon it. He returned the ticket and enclosed the amount and recovered the watch.

THE WEATHER.—Fine growing weather has prevailed during the past few days. The temperature has been high at times and the earth is gradually being warmed to a fruitifying degree. There were several slight sprinkles of rain yesterday evening, and about six o'clock a heavy cloud emptied itself south of Alexandria and over a large area of Maryland. The electrical display, which was witnessed in this city, was incessant, and the rolling of thunder almost continuous. The rain lasted for about an hour, and after imparting its beneficial effects the cloud moved toward Chesapeake Bay.

FISHTOWN presented a very quiet appearance this morning, not more than a dozen cutters being at work. Some few negroes were sleeping in the sun waiting for the arrival of fish that have not been caught, and the signs all point to the closing of the season. About 100 shad have arrived since yesterday and no herring. The prices remain high as the demand exceeds the supply. It is said that the prices obtained at the fishing shore are as good as those received here, and that most of the catches are disposed of as soon as landed.

FISH FOR THE POTOMAC.—Messrs. Frank B. Curtis and John Brown, members of the Fish and Game Protective Association, also of the Anglers' Club of Washington, have procured from the Fish Commission 2,000 young pike perch, which they have placed in the Potomac between Sycamore Island and the Anglers' Clubhouse. This embraces several miles of the best fishing water of the river, and should, in a short time, add materially to the pleasure of the local fishermen. The pike is very game, ranking probably next after the bass.

Mr. George A. Nowland brought to this office today a sprig from a Bartlett pear tree which contained 19 embryos in pearls. The tree is in the yard attached to Mr. Nowland's residence on south Fairfax street.

POLICE COURT NOTES.—Several minor cases occupied Mayor Simpson's attention in the Police Court this morning. There were no cases for violation of the Jim Crow car law, however, would-be-judges probably regarding such action as being on a par with the foolhardy trick of hugging a whizzing circular saw. All who have refused to carry out the provisions of the law have been fined, and the notoriety attained is both vexatious and expensive.

The first case called was that of a colored individual named Rudolph Murray, who had been arrested for being drunk in the street. He failed to appear when his name was called and forfeited \$2.50 collateral.

Frank Williams, a white man, was next arraigned for assaulting and beating Albert McCuen. The fight took place near the gas works, but what caused it was not brought out in the evidence which was to the effect that Williams approached McCuen and began a violent assault. The accused was fined \$10.

Violet Burroughs had been arrested for improper conduct in the street, as had also Sophia Lewis, colored. Both were dismissed with reprimands.

A white man who was charged with assaulting his wife was dismissed. Only three lodgers appeared at the station house for accommodation last night.

CONFEDERATE VETERANS.—The regular monthly meeting of R. E. Lee Camp, Confederate Veterans, was held at their hall last night, Commanding Officer C. C. Graham presiding.

The commander reported the acceptance of the invitation to deliver the address on Memorial Day by Hon. Rice A. Pierce, of Tennessee, and appointed the following committees to decorate the graves in the various cemeteries near the city: Ivy Hill, Comrades Herbert, Blackford, Corse, Dawson and Gailard; St. Mary's, Comrades Gorman, Latham and Hurd; the other cemeteries, Comrades May, Yeatman, Zimmerman, Blackburn, Sherwood, Hammond, Sullivan, Knox and Mankin. He also appointed the following committee to assist the Woman's Auxiliary: Comrades Milburn, Warfield, Appich and Rudd, and announced that he had recommended to the court the appointment of Comrades E. J. Davidson, J. C. Milburn and Joe M. Johnson to constitute the Pension Board for the city of Alexandria, which board had already qualified and proceeded to discharge its duties.

Comrade Davidson, by request of the Camp, gave a very full and satisfactory explanation of the new pension law and its workings. Twenty-four applications have been made to the board, 19 of which were allowed.

After the adjournment of the camp, the committee on Memorial Day exercises held a meeting, and perfected arrangements for that day.

AUCTION SALES.—Pursuant to a decree rendered in chancery, Capt. R. F. Knox, through commissioners Kemper, Bothe and Marbury, offered and sold at public auction today the real estate of the late Oliver S. Pulman.

A tract of land in Mt. Vernon district known as the "Valley Farm" was purchased by Mr. O. F. Pulman for \$3,500.

A tract of land containing about four and one-half acres, and frame house thereon, and on south side of Hunting Creek, was sold to Mrs. Nellie L. Blount for \$1,005.

Houses No. 619, 621, 623, 625, 627, and 629, south Patrick street, were purchased by Mr. R. J. Thomas at \$312 each.

A brick house known as 914 Franklin street was bought by Mr. J. H. Catts for \$220.

A lot in Mt. Vernon district, partly in Alexandria, was bought by Mr. H. C. Grubbs for \$750.

Property No. 810 Franklin street was purchased by Mrs. Blount for \$670.

No. 812 on same street O. F. Pulman bought for \$805. No. 814 was purchased by H. S. Grubbs for \$670. Land lying between Alfred, Patrick and Montgomery streets was sold to George Washington for \$255.

WOUNDED IN THE PHILIPPINES.—Among the casualties in Mariano, when General Chaffee has called the War Department is mentioned the serious wounding of First Lieutenant Henry S. Wagner, in the battle at Boyan. Lieutenant Wagner, who received wounds in the leg and abdomen, is an aide on the staff of General Davis, and son of Gen. Louis Wagner, of Philadelphia, who during the civil war was stationed in this city, where he made many friends. General Wagner is now President of the Third National Bank of Philadelphia. His many friends here regret the wounding of his son.

STRIKE AT THE GLASS WORKS.—A number of white youths employed at the Virginia Glass Works, West End, yesterday morning went on strike for higher wages. It appears that the boys had been getting \$3 per week and wanted \$4 per week. This, it is said, was refused, and they struck. Most of their places were, however, filled in the afternoon. The boys were employed to carry bottles, and range in age from twelve to seventeen years.

PREPARING FOR DECORATION DAY.—Alexandria and Belle Haven Councils of the Junior Order of Mechanics are preparing for their annual decoration day services which will be held on Sunday, May 25. An interesting and impressive programme of exercises is being prepared. Decoration day services have always been a feature with the Junior Order of Mechanics, and those being formulated for the 25th will be made specially interesting.

CHARTER.—A charter was granted today by Judge Norton to the Traders' Guarantee and Investment Company. The object of the company is to purchase franchises, patents, designs and copyrights, and to manufacture and deal in the same. The capital stock is to be not less than \$5,000 or more than \$25,000. Mr. F. Mertens is president, and Mr. Park Agnew vice-president. Mr. J. M. Johnson is the local attorney.

FELL FROM A SCAFFOLD.—Mr. G. P. Padgett while working on a scaffold at the residence of Mr. J. Carlin Creighton about 8 o'clock this morning was thrown to the ground by the breaking of a board and severely injured. His scalp was badly lacerated. The injured man was carried to his home on north Henry street where he was attended by Drs. Smith and Gibson.

Bishop W. A. Sewell will preach in the Free Methodist Church on south Lee street tonight at 7:45 o'clock, also on Saturday night at the same hour. There will be an all-day Sunday meeting.

Even where delay has aggravated the injury DeWitt's Witch Hazel Salve effects a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yacquetown, Ind. "After using many remedies, I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits. For sale by E. S.
